

Enjoying God's Love

John 14:15-24

Experiencing the divine...

1. God's Spirit brings us into the circle of divine love (v15-21)

a new permanent divine presence

a new assurance

a new appreciation of Jesus

2. We experience this as we love and obey Jesus (v15-16, 21, 23)

3. And this is how we display God to the world (v22-24)
