

Jirka and Keira Prayer Update November 2017

Dear friends,

We hope that you are well. We are thinking of you as you are serving by means of evangelistic events in the run up to Christmas.

Here is an update on the work here in the Czech Republic:

REACHOUT AND OCTOBER WEEKEND AWAY

We were very blessed to have a wonderful team, from near Manchester come to help us for the Weekend Away. It was amazing to work together with those who have been faithfully partnering with us.

Question and Answer session

Jirka and Chris, the leader of the UK team shared the teaching which was on 2nd and 3rd John along with some evangelistic talks.

Jirka really enjoyed having a second leader for a change. Time was tighter than usual as the talks in English needed to be translated.

Games time

The games times helped everyone let off some energy and get to know each other.

Outdoor sports – the bucket game

THANK YOU for all your prayers regarding practical arrangements, being in a new venue, kitchen/cooking, safe travel etc.

Everything went well and we were relieved that the team got back to the UK safely and on time, as there was a lot of wind on the Saturday night causing a lot of forest damage in Czech and blocking some travel routes etc. for Sunday.

One of the study groups at the Weekend Away

CHRISTIANITY EXPLORED

After the Weekend Away we started a new Christianity Explored course.

There are 2 girls coming to this who we think probably *are* Christians but come from churches that are not so Biblically grounded. They are both really keen to learn more and get involved and are asking extra questions.

One of the girls was on the Weekend Away and she made the most of the 'question and answer' sessions.

EVANGELISTIC EVENING WITH A COURT JUDGE

We invited a court judge (a friend of Jirka's) to come and talk about how the testimonies of the gospels would hold up in court.

Evangelistic evening held on the university campus

Our children went to this as well and they thought it was great and were asking questions about it afterwards!

REGULAR BIBLE TEACHING

Please continue to pray for those coming regularly each week that they would grow in the knowledge of the Lord Jesus Christ and that they would mature in their faith.

EVENTS COMING UP

- We have a special **evangelistic event on 12th December** where we will be making beeswax candles and other activities including a quiz. Jirka will be giving an evangelistic talk.
- Our church here will be having an **evangelistic stall at the town Christmas Market from 7th - 9th December** so we plan to be serving at that as well. The square that the stall is in is very large and last year we felt that people gave us a very wide berth...(Please pray!)

PRAYER REQUESTS

- Thanks for good Weekend Away, for a great team and times of fellowship together.
- Thanks for those coming to Christianity Explored.
- Please pray for the students that they would mature in faith in the Lord Jesus Christ.
- Please pray for upcoming events

With much love in Christ,

Jirka, Keira, Jochebed,
Barnabas, Simzon and
Anzka Kralovi
