

Giving to St Peter's Barge

Your contribution makes an **enormous** difference. Financing the ministry of the Barge is dependent upon the giving of the church family and friends. We need every member of the Barge family, Midweek or Sunday, to support and contribute to the Barge's gospel ministry. For more detail about how to give, email the Barge treasurer, Ulrike, at treasurer@stpetersbarge.org.

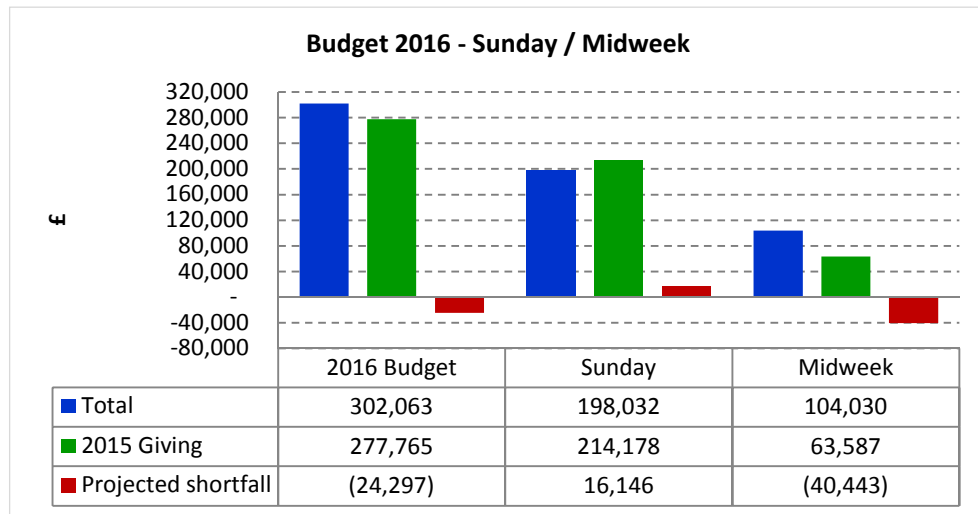

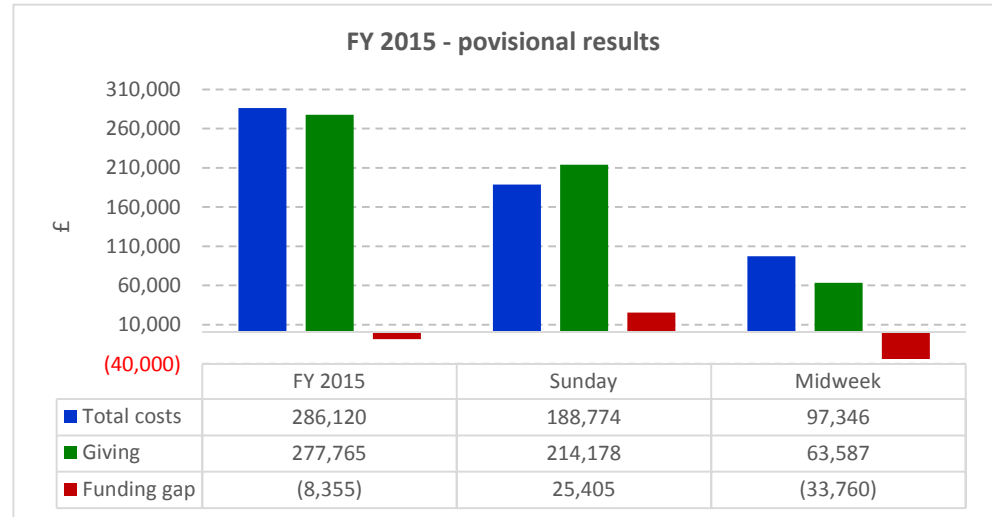

2016 Budget

Looking at the year ahead, we expect annual costs of around £302,100. This includes cost for dry-docking in the Spring.

FY2015 provisional results

We are expecting a deficit in 2015 of around £8,400. The Barge's expenditure came in below budget. However, giving fell short of expected levels.

Generous giving covers the Barge's costs

The Barge's only source of "income" is through the generous giving from church family members. Based on 2015 giving projections, we will have a shortfall in 2016.

35 people giving £15 per week (or £60 per month) would bridge this gap.

Who gives?

Currently only around 1 out of every 2 people contribute to the Barge's financial needs. Here is some general information about the Barge's giving population:
