

# **Why Jesus came – To Call**

Jesus the revolutionary physician

Luke 5:32

---

There's a hereditary disease...

## **The “sick” who got healthy (v27 – v29)**

- “Sick” is away from the source of life (v27)
  
- The difference between sick and healthy is dramatic (v28-v29)

## **The “healthy” who were never healthy (v30)**

- Too sick to know the difference

## **How do you know that you are healthy? (v31 – 32)**

- The need is never optional (v31)
  
- Jesus is the only revolutionary physician who meets the need (v32)
