

God's Survival Manual

When everything seems
to be going well
Daniel 4:24-37

"Who is really in charge of Islamic State?"

The Most High rules

1. He provides... acknowledge him

2. He cares... obey him

3. He humbles... trust him

Questions for discussion

1. In what ways do we see the attitude of entitlement in ourselves or others? What can we do practically to grow in habits of acknowledging and thanking God?
2. Is it a surprise that God might have an agenda for our workplaces? How might we use the influence we have to promote God's purposes in our situation?
3. What things make us question whether there might be areas of life which are outside God's control? What difference does it make to know that the Most High rules over the kingdom of men and humbles even godless tyrants? How should this affect our praying?
