

Daniel: God's
survival manual
"the battle of the gods"
Daniel 1:1-2

“Where is God in this mess?”

**1. When we feel far from home
and out of control...**

when it feels like evil
is doing the running

when the clash of empires
is not going well

2. ...God still rules...

3. ...and will win

remember what happens to Babels

remember the exiled God
