

The Good Samaritan  
Luke 10:25-37

---

**...but those who love mercy (v33-37)**

**The Life that wins approval?**

Who are radical in *who* they show mercy

**Not Law 'experts'... (v25-32)**

Who are radical in *how* they show mercy

Who know the 'right answers'

Who know their own need of mercy

Who believe they've done enough

Who rejoice that God loves mercy

Who limit the law's extent

Who become like the God who loves mercy

Who hide behind other requirements

---

Discussion Questions –How has this passage exposed failure? What would it look like for you to show radical mercy to your neighbours?
