

Faith in the Workplace: Productivity

How productive are you?

Defining productivity

Desiring productivity

A biblical perspective on time (David Murray):

God gives us time (James 1:17)

God gives us enough time (John 11:9)

God gives us limited time (Psalm 90:10)

God judges our use of time (Romans 14:12)

God commands us to redeem time (Ephesians 5:16)

God offers eternal life to those who have abused time (Romans 6:23)

The big principal

“But seek first the kingdom of God and his righteousness, and all these things will be added to you.” –
Matthew 6:33

Proverbs for productivity

“Go to the ant, you sluggard; consider its ways and be wise!”

“How long will you lie there, you sluggard? When will you get up from your sleep?”

Proverbs 6:6,9

“As vinegar to the teeth and smoke to the eyes, so are sluggards to those who send them.” Proverbs 10:26

“A sluggard’s appetite is never filled, but the desires of the diligent are fully satisfied.”

Proverbs 13:4

Proverbs 19:24; 20:4; 21:25
