

'I've shared my faith more in the past day than I have the past year!'

The above encouragement was shared by one of the many students I've had the joy to train over the summer, who've often travelled far to experience urban ministry. In a single day, one student who was with me got invited into several council estate homes and was able to share the gospel in depth and pray for whole families who live therein. 'I never get these opportunities at work' He would add. Do pray that this student and others (Bottom photos) would better equipped at evangelism all year round!

Pray – for all those who support LCM to know it's more blessed to give than receive and that many would join our significant 'thanksgiving service' in September! Click [HERE](#) for an invite, or message me!

Pray - for the many opportunities I've had in sharing Jesus with Muslims, especially at 'Speakers Corner'. Pray also for my work in training others up to do the same. It's been great serving alongside 'Bob of speakers corner', 'David Wood' and others who are experts in exposing Islam! (Top photos).

Pray – for the training I continue to give not just on Islam, but on other religions/cults like JW's (Left). Also it was a joy to speak at the Houses of Parliament at a prestigious supporter event! (Left top).

Pray - for the 'beautiful feet' who go out with me from local churches and evangelise around Hackney (Right side). Gospel relationships are built, misconceptions answered and new people visit a church!

Pray – that me/my family would be refreshed after summer holiday. Pray for strength as school restarts!
