STUDIES

SUBJECTS I STUDIED IN TRINITY SEMESTER OF MAY-AUGUST 2024.

- 1- Homiletics
- 2- Christian Education for Ministry
- 3- History and Theology of Anglicanism
- 4- Psalms and Wisdom Literature
- 5- Gospels: Mark/John
- 6- Theology and Culture in Mission Perspective
- 7- Understanding World Views
- 8- Block Placement.

SUBJECTS I ENJOYED STUDYING THE MOST LAST SEMESTER AND THE REASONS.

History and theology of Anglicanism and Christian Education were the subjects I enjoyed and passed the best because Anglicanism is all about the daily religious doctrines I ever practiced and Christian Education has components of what I did in my training as a grade III teachers' training and was not something new to me

SUBJECTS WHICH WERE DIFFICULT FOR ME LAST SEMESTER AND THE REASONS.

No course unit was so difficult for me; however, I misunderstood one of the questions in Homiletic examinations that made me to get the least marks in it.

WHAT GOD TAUGHT ME DURING THE SEMESTER

The first semester of year three which ran from (May to August 2024) had many new things that God taught me which I have learnt a lot from; among which a few are outlined below;

I continue to experience God's love, favor and grace working towards my family and my community through the support by BEST study partners or crosslinks, for my education career and others.

I got more knowledge and skills from the Sunday placement, research work, block placement, and many other study activities I engaged in.

STORIES/ TESTIMONIES FROM MY EVANGELISM, TEACHING AND CHURCH MINISTRY.

I am grateful to almighty God for this far He has brought me, because life sometimes seem challenging and difficult especially when I plan as a family to do something and resources or funds are not available, nevertheless, I have ever seen God's hand working strongly in providing my needs, for my studies and family as well.

The times I was for Sunday placement in UCU Mukono were so wonderful because I learnt a lot of new things from the practical studies and the same is in the current block placement at Nebbi diocese Cathedral, Goli. I hope these experiences will make me in good stead to learn church activities and how to do them.
