Who we are

We are a church community in the London Docklands area – part of the Church of England - welcoming people from any background, and committed to putting God and his word the Bible at the heart of all we do.

As well as being a church for those who live in the area, we run a midweek ministry for those who work in the Wharf. We provide unpressurised settings for people to engage with the Christian faith for the first time, or to re-engage with it, as well as for Christians to be encouraged and equipped to live as disciples in their workplaces. Come along and see for yourself!

Our Aim

Our vision is that Christians are encouraged and equipped to live, work, and witness faithfully in the workplace.

Finance

The Barge relies wholly on the giving of those attending Sundays or Midweek. If you'd like to support this gospel teaching ministry, please set up a standing order to:

Special events

We want to give everyone the opportunity to engage with the Christian faith through a whole variety of different formats and to make it easy for Christians to invite along interested colleagues. Here's a flavour of different special events throughout the year:

Easter, Remembrance, Christmas

We run special services key times of the year. A great opportunity to invite colleagues to hear the gospel.

Success in the city

We run a welcome event for new joiners in Canary Wharf each year. A chance to hear from current Wharf Workers about the difference Jesus makes to their career; and to meet other new joiners and current Wharf Workers. The next one will be in autumn.

Time away

There are two opportunities in the year to get away together with other business people to look at God's word. The Spring Getaway is at the end of March and the City Summer School gives the option of two weeks in the middle of July.
