

Revelation 10-11

What does it mean to conquer... your office floor?

Context: John eats the scroll to reveal its contents (10:1-11)

The scroll reveals that to conquer is to...

1. Witness... (11:1-6)

"...seven lampstands are the seven churches." (Revelation 1:20)

2. ...unto death (11:7-13)

Discussion questions:

1. Imagine Elijah or Moses swapped lives with you. How might you expect them to approach your office floor?
2. What would change if you really grasp the need to witness unto death?
3. Spend some time praying together.
