

LIFE IN CHRIST
Servants of Christ
Colossians 4:7-18

Paul's specific messages for that church give general principles for all churches:

- **Stick together** as brothers and sisters in Christ
- **Encourage one another** to grow in full maturity in Christ
- **Work together** as fellow servants of Christ

Questions for reflection:

- Do you see other Christians as beloved brothers and sisters? How might that impact how you relate to them, especially those you find difficult?
- Do you know enough about other local churches to be able to pray for them?
- How could you encourage a brother or sister in Christ to keep growing spiritually?
